## ASCENSION to PENTECOST 10 – 20 MAY

As part of this nationwide project, we are inviting you to join with us here at St. Mark's Church, as we simply come together to pray. We are hoping that all who wish to, will come along to our Church and use the opportunity to sit, ponder, reflect and be in the presence of God, offering individual and private prayer, as well as joining with the public acts of worship, all designed to 'proclaim' to the world at large just how inspiring faith can be.

Our Church will be open to everyone – and we look forward to sharing this time with you.

<p>Thursday 10 May 7.30pm</p>	<p><b>ASCENSION DAY EUCHARIST</b> the 'trigger-point' in history – as Christ returns to God, so we are charged with the task of proclaiming the faith He inspired</p>
