

## “Rushmoor Christmas Angels” July/August 2018

Hello everyone,

Before holiday season begins may I take this opportunity to say a huge thank you to all those who offered to copy and laminate labels for this years Christmas angel project. I hope I sent a sheet of labels through to all who requested a sheet. Requests came in thick and fast, which was great but I have that niggling feeling that I overlooked at least one offer of help. If you kindly offered to laminate some labels and did not receive a sheet of labels I can only apologise. Do let me know if this was the case and I will send a sheet through to you.

It can be hard to focus on Christmas projects at the time of year, especially when the weather is so nice.....so I really am very grateful to you all for the sterling work you are doing during this heat wave to guarantee that this project this coming December will be as big as ever.

Over the 3 years this project has been running there have been some very imaginative ways of getting our Angels “out there”, including filling a hedge outside a local school so when leaving the school the children were confronted by a “hedge of heavenly host”. If anyone can think of more creative ways of distributing our angels please do let me know.

I am always keen to make sure “Rushmoor Christmas Angels” has as much publicity as possible. We are obviously on Facebook and BFBS radio and Southern counties radio will often give us “airplay”. However, if you have contacts in the media world, or have any other ideas how we might be able to continue to heighten the profiles of this project do let me know.

Once again may I say a massive thank you to you all for all that you do in making this project the success it is and for the blessing I know that it is to others.....for many this project really “makes” their Christmas and even though we are still 4 months away from launching “Rushmoor Christmas angels 2018” there continues to be an excitement of what lays in store.

If anyone comes to mind who you think would like to be part of this project and come on board as a “knitter” then please do let me know.

If anyone has any questions please do not hesitate to contact me, either through a message on the “Rushmoor Christmas Angels” Facebook page or using the contact details below. Have a great summer everyone!
